Notes:

1. One result of the counter summit could be the preparation of

- A NATO tribunal for 2019 (70 years anniversary of NATO)
- Action in Brussel before the EU elections to EU militarization and against military spending
- 2. We want to organize an interactive counter summit, details have to be discussed in the working group
- 3. Refugees are welcome and will be developed as a cross topic and should be discussed under different aspects
- 4. Alternatives to NATO should be discussed in the different workshops
